

TAREX 2T BLU

FULL SYNTHETIC TWO STROKE MOTOR OIL

Product Description:

TAREX 2T BLU is an advanced performance, full synthetic, two-stroke engine oil developed to meet or exceed the highest level of lubricant requirements by today's highest performance motorcycles, snowmobiles, chain saws and other two-stroke applications. Its advanced additive technology provides outstanding engine cleanliness in the piston and exhaust valve areas. It provides excellent wear protection at high temperatures and virtually eliminate smoke production. TAREX 2T BLU combines high performance synthetic base oils with an advanced additive technology to outperform even under the toughest operating conditions.

Application:

TAREX 2T BLU is recommended for use in two-stroke engines, highest performance motorcycles, scooters, snowmobiles and chain saws. Suitable for applications where API TC or JASO FD performance standards are recommended.

Benefits:

- ❖ Provides low level of exhaust smoke
- ❖ Excellent cold temperature performance
- ❖ Keeps main engine components clean
- ❖ Excellent lubrication
- ❖ Extends engine life

Meets the Performances:

API: TC; JASO: FD; ISO-L-EGD

Please check your owner's manual for the manufacturer's recommended oil viscosity grade and API classification and approvals

Technical Data:

TAREX	Test method	
API		TC
Density at 15°C gr/cm ³	ASTM D 1298	0.87
Viscosity at 40°C cSt	ASTM D 445	60-70
Viscosity at 100°C cSt	ASTM D 445	8.5-9.0
Viscosity Index	ASTM D 2270	100
Flash point °C	ASTM D 92	140
Pour point °C	ASTM D 97	-40

Above values are the typical values of the products and may vary with each batch
