

TAREX HD TURBO 20W-50

HEAVY DUTY MOTOR OIL

Product Description:

TAREX HD TURBO 20W-50 engine oil contains 100% virgin base stock blended with latest technology; provides superior lubrication for modern as well as older diesel engines. Suitable for use in a wide range of heavy-duty applications and operating environments found in the trucking, construction, and agricultural industries for all season use in naturally aspirated petrol and diesel engines. It reduces oil consumption in older engines and gives high oil pressure. It is designed to be an economic motor oil for old and worn out engines suffering from oil burning.

Applications:

Heavy duty diesel engine oil for moderate applications of modern on and off highway diesel engines. Off-highway industries including: trucking, construction and agriculture where API:CD/SF performance level is required by OEMs.

Benefits:

- All seasons protection for stay in grade performance
- Good high temperature stability, resists breakdown at high temperatures and deposits caused by soot and acids
- Reduced oil consumption due to improved high temperature performance
- Provides excellent lubrication, good compatibility with rubber to protect rubber seals

Meet the performance: API CD/SF

Please check your owner's manual for the manufacturer's recommended oil viscosity grade and API classification and approvals.

Technical Data:

TAREX HD TURBO 20W-50	Test method	
API		CD/SF
SAE Grade		20W-50
Density at 15°C gr/cm ³	ASTM D 1298	0.889
Viscosity at 40°C cSt	ASTM D 445	160
Viscosity at 100°C cSt	ASTM D 445	18.5-19.0
Viscosity Index	ASTM D 2270	122
Flash point °C	ASTM D 92	230
Pour point °C	ASTM D 97	-29

Above values are the typical values of the products and may vary with each batch.
