

TAREX SUPER 20W50 CF-4

MINERAL MOTOR OIL

Product Description:

TAREX SUPER 20W-50 CF-4 is a high quality fleet engine oil recommended for use in a wide range of American, European and Japanese engines, both on and off-road equipments. It has been designed to provide superior soot dispersancy and exceptional cleanliness through the use of a unique combination of selected additives and base oils. Its special formula provides engine parts cleanliness and effective protection in frequently used and high mileage diesel engines. TAREX SUPER 20W-50 CF-4 completely fulfill the lubrication requirements.

Applications:

Mixed fleets of both diesel and gasoline engines, diesel engine fishing boats, river boats and ferries, agriculture tractors, off-highway diesel earth clearing machinery, on-highway diesel light and heavy duty trucks and buses. Suitable for old engines with high mileage and worn out.

Benefits:

- Provides effective lubrication and reliable protection in trucks, buses and light trucks under moderate loaded operating conditions
- Protects effectively all engine parts against wear, rust and corrosion
- Stable to oxidation and aging, keeps stable viscosity properties

Meets Performance: API CF-4, ACEA E2/B3, MB 228.1

Please check your owner's manual for the manufacturer's recommended oil viscosity grade and API classification and approvals.

Technical Data:

TARMOND	Test method	
API		CF-4
SAE Grade		20W50
Density at 15°C gr/cm ³	ASTM D 1298	0.89
Viscosity at 40°C cSt	ASTM D 445	160 - 175
Viscosity at 100°C cSt	ASTM D 445	18.5 - 19
Viscosity Index	ASTM D 2270	123
Flash point °C	ASTM D 92	230
Pour point °C	ASTM D 97	-30

Above values are the typical values of the products and may vary with each batch.
